---

## Design Education

**Bachelor of Fine Arts (B.F.A.) in Interaction Design** – 2019 anticipated graduation

CALIFORNIA COLLEGE OF THE ARTS

3.6 GPA

Projects include:

- **Farm to Table Branding App:** Designed branding (including logo) for CSA Farm collective concept after performing competitive analysis, defining guidelines, and determining style. Developed language for navigation and researched how to apply it throughout website. Ensured visual consistency across multiple platforms. Created mockups for product packaging (farm boxes).
  - **Vending Machine Concept:** Developed concept of vending machine that provided hot meals in exchange for EBT (food stamps).
  - **Plug-In for Word Processors:** Designed for international students.
  - **Firefighter Job Satisfaction App:** In process of creating app that streamlines interaction between firefighters and management after performing research and discovering that bureaucracy in leadership is leading factor of firefighters' job-related stress.
-
